We want to help address specific, individual needs. If you have any questions, comments or concerns, it might be a good idea to meet with Tracy one-on-one. She is always happy to be of assistance. Call to set up an appointment at 303-789-1519.

Updating Information

If there are any changes in address, emergency contact information, doctor information, etc., please be sure to notify us so that we can update our records. For the safety and benefit of your loved one it is important that we have this information in the event of an emergency.

JADP's Upcoming Remodel!

As many of you have heard, our lovely JADP building will be getting a bit of a face-lift in the new year! We are still awaiting final approvals of the designs by the city of Englewood and project that they will begin the remodeling project in late February or March, 2012. We would like to remind you that regular programming will continue as usual as most of the construction work will be happening over the weekends. If you have any questions, comments, or concerns, please feel free to give us a call. We are all very excited for the new look of our beloved building!

YOU are our Best Referral!

If you are satisfied with our services for your loved one, we want to encourage you to talk about it. Word-of-mouth is our best referral source! If you know of anyone who might benefit from our services, please pass along our information!

Sincerely,
Dennis Veen
Executive Director

The weather outside is frightful...

Personal Items:

It's that time of year when the weather is getting colder and we are needing to bundle up! We are seeing more hats, scarves, gloves, and thick winter coats come through the doors. **Please be sure that your name is clearly written on the inside of their belongings to be sure that they get back to you.** Per our policies, JADP cannot be responsible for damage to or loss of items brought to the program. Storage space is provided for coats, hats, gloves, etc. We very much appreciate your cooperation with this policy.

Bad Weather Closures:

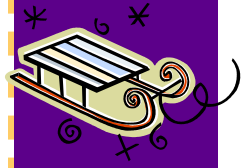

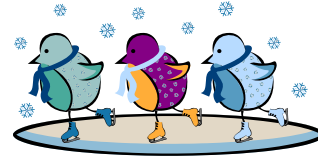

In the event of bad weather, the closure of the JADP will be listed on the local television news channels 9, 7, 31, and 2. The name of our center will scroll along the bottom of their screens as do the local schools during closures. A general good rule of thumb is that if the Englewood Public Schools are closed, we most likely will be closed as well. **We always advise calling ahead to make sure we are open before bringing your loved one to the center.**

Absences and the No Call/No Show Fee:

We understand that there are some mornings that you wake up just not feeling like yourself, and it's hard to get up and get out here on your regularly scheduled day. We request that you are sure to give a call as soon as you know that you will not be in for your regularly scheduled day so that we can adjust our meal counts and staff scheduling accordingly. A telephone call to JADP must be made as soon as possible. If the office phones are diverted to voice mail, please leave a message regarding the absence. A note in writing given to the front desk or emailed to asmith@jadp.org would also be helpful.

Note: You should also call the transportation service you are using.

However, if you do not call on a regularly scheduled day to inform us of an absence, you will be issued a \$30 No Call/No Show fee that will appear on your monthly invoice.

Dear JADP Families and Caregivers,

We are wanting to make you aware of *Advance Planning* — setting down in writing your desires for care if you become unable to speak. In the past, we've done small seminars, but in the new year we will offer to meet with you one-on-one personally to provide information and help with any problem-solving or questions that you may have. We have printed materials regarding: Do Not Resuscitate (DNR) orders, living wills, durable medical powers of attorney, Five Wishes, organ and tissue donation, palliative and hospice care.

We also would like to be of assistance to you in filling out the State and Federal required paperwork for new enrollees. It is a packet of information mailed to your home about two weeks after your loved one begins attending our program. There is a lot of information in the packet and we know that it can be overwhelming, but we are here to help. Please let us know if you have any questions, we are happy to be of assistance.

If you would like to set up a one-on-one meeting for Advance Planning or for the Admissions Packet, please call 303-789-1519 and make an appointment with one of us. We'd love to see you!

Our best,

Tracy and Donna

Saying Farewell to Maureen Wells

After 14 years of leading over 1,900 Daytrips, Maureen Wells will be retiring on January 12th. "It's been a wonderful ride, where we have had lots of fun!"

Daytrippers have visited 240+ different destinations and shared many experiences together-developing new relationships along the way. Over 570 different folks have participated in the Daytripping program since it began in 1997.

Daytripping started with Maureen and Daytripping founder, Linda Melbardis, using their own vehicles and a 2 day a week program. Now trips are offered 3 times a week with 13 participants per trip. Other JADP staff including Maureen Flanigan, Karen Wiberg, and Mike Jones regularly did Daytrips over the years too.

Maureen treasures her Daytripping friendships and will truly miss everyone, as we will dearly miss her incredible spirit and vast knowledge of great destinations throughout Colorado!

If you have not gotten the chance to check out her book, *Ageless Outings - A Guidebook to the Greater Denver Region*, you should visit the website www.AgelessOutings.com!

Please feel free to keep in touch at maureenwells2003@msn.com. Also, Maureen will continue to drive/escort JADP participants/caregivers to future ArtReach events.

Kathleen Van Ommeren will be taking over Maureen's position. We are excited to have Kathleen join our JADP team!
